To: The Head of the Department

Respected Sir/Madam,

I am writing to propose the organization of **NOVUS 2K26**, a freshers' event to welcome the newly admitted students to our college. The event is tentatively planned for November 2026 on our college campus.

The main objective of NOVUS 2K26 is to welcome first-year B.Tech students, help them interact with their seniors, and create a friendly and enjoyable college environment. The event will include cultural performances, music, dance, fun games, talent shows, and other entertaining activities.The event is primarily intended for **first-year students**, with participation from second-year students and other student volunteers to help organize the activities. The proposed duration is one day, from 9:00 a.m. to 4:00 p.m. The tentative registration fee is ₹200 per student to cover decorations, refreshments, and other event expenses. The final date, venue, and registration fee can be confirmed after receiving approval from the college management.

We assure you that the event will be conducted in a disciplined and organized manner. We kindly request your permission to organize NOVUS 2K26 and use the necessary college facilities for the successful execution of the program.Thank you for your time and consideration. We look forward to your approval and support.

Yours faithfully,
